ACADEMIC VACANCY

- POSITIONS:** Assistant Professor in Informatics EEO #: SC_10 -11____
- RESPONSIBILITIES:** The successful applicant will conduct research and teach courses that support Informatics concentrations in business, healthcare, media technology, and systems administration. Ability to teach such courses as Network Security, Distributed Information Systems, and Systems Administration and Maintenance, is desirable.
- QUALIFICATIONS:** The applicant must have a Ph.D. in Informatics, Computer Science, or Management Information Systems, or a closely related field by the date of appointment.
- ADMINISTRATIVE UNIT:** The Ray P. Authement College of Sciences consists of academic departments in the disciplines of Biology, Chemistry, Mathematics, and Physics, a School of Geosciences, and a School of Computing and Informatics.
- The School of Computing and Informatics has 30 faculty members with specialties in all of the major branches of computer science, computer engineering, and information systems. The School offers B.S. degrees in computer science and informatics, M.S. degrees in computer science and computer engineering, and Ph.D. degrees in computer science and computer engineering. An M.S. degree in informatics is under preparation.
- The University of Louisiana at Lafayette, the largest member of the University of Louisiana System, is a public institution of higher education offering bachelors, masters, and doctoral degrees. Within the Carnegie classification, UL Lafayette is designated as a Research University with high research activity. Located mid-way between New Orleans and Houston, Lafayette is the heart of Louisiana's Acadian-Creole region. The city of 120,000 is one of Louisiana's fastest growing and is the hub of numerous cultural festivals and celebrations. Further information on Lafayette is available at the University's website at <<http://www.louisiana.edu/>>
- SALARY:** Commensurate with qualifications and experience.
- STARTING DATE:** August 2012
- APPLICATION:** For initial consideration, send curriculum vitae, statements of teaching philosophy and research interests, and the names, postal and email addresses of three references to the electronic address below. The review process will continue until the position is filled. To ensure consideration, receipt of complete application material is required on or before February 15, 2012.
